Technical Bulletin #2

November 18, 2009

RE: Clarification of Combination Spin- Free Program Ladies 2, 3, 4

It has come to my attention that there is a typographical error in the Revised Technical Package and in the Free Program chart.

IN regards to the combination spin the word Optional should be removed. The wording should be

- a) One spin must be a combination spin(change of foot mandatory)

This should be changed for Ladies 2, 3 and 4 Free Programs.
